Level 1 Validation – Water Supplier Confirmation

This document confirms participation in and endorsement of the Level 1 Validation as completed.

This acknowledgement is required for submission – alongside your Level 1 validated water audit software file – to the California Department of Water Resources.

Water Supplier Name:	Elsinore Valley Municipal Water District
Water Supplier Public Water System ID:	CA3310012
Water Audit Period:	CY2019

Water Audit & Water Loss Improvement Steps

Steps taken in the audit period timeframe to increase data source accuracy, reduce real losses, and/or reduce apparent losses, as informed by the water audit.

- Install testable meters downstream of import source meters, test to ensure accuracy of imported water totals. Meters to be tested annually by a third-party testing agency. Secured third-party testing contract for annual testing of District owned source meters. All District meters have been converted to an Advance Metering Infrastructure and are read hourly. Beta testing District Metered Areas.

Certification Statement by Water Supplier Executive:

This water loss audit report meets the requirements of California Code of Regulations Title 23, Division 2, Chapter 7 and the California Water Code Section 10608.34 and has been prepared in accordance with the method adopted by the American Water Works Association, as contained in their manual, *Water Audits and Loss Control Programs, Manual M36, Fourth Edition* and in the Free Water Audit Software version 5.
