Water Audit & Water Loss Improvement Steps

Steps taken in within the last three years to increase data source accuracy, reduce real losses, and/or reduce apparent losses, as informed by the water audit.

We purchased hand-held service line leak detection equipment. We continue to replace old mains, valves, and hydrants that tend to by leaky.

Certification Statement by Water Supplier Executive:

This water loss audit report meets the requirements of California Code of Regulations Title 23, Division 2, Chapter 7 and the California Water Code Section 10608.34 and has been prepared in accordance with the method adopted by the American Water Works Association, as contained in their manual, *Water Audits and Loss Control Programs, Manual M36, Fourth Edition* and in the Free Water Audit Software version 5.
